Corporate Commentator

This is Not a solicitation for a donation, sponsorship or product

Dear Business Leader,

You are warmly invited to participate as a Commentator at one of the Carolina B2B Networking Sessions. This experience is the most enjoyable and effective way to secure group-business contracts and forge new business relationships, all while supporting local community projects.

You have been invited because your company provides essential products that are vital to the operations and success of our local businesses and nonprofits.

By sharing your insights and products, you will educate and significantly benefit a group of one hundred business owners, foster relationships, expand your customer base, and enhance the economic strength of our local communities and families.

The main goal of the business networking sessions is to make all resources accessible to all local small businesses and nonprofits in one central location and on a unified communication platform.

The funds distributed by the HCCD must be spent locally. We want your company to meet, greet, and understand the specific needs of the 100 participating businesses and nonprofits receiving these new funds.

You will want to attend to discover how your company can benefit from this new funding source and the network members.

WHAT ARE WE ASKING OF YOUR COMPANY?

1. To attend a session to provide feedback on their presentation.
2. To meet and greet the groups and the available contracts.
3. To take part in the Influencer Product Showcases.
4. To act as a CBC Facilitator.

Thank you for all your contributions to the community. We look forward to collaborating with you and your team.
