## THE DEBIT CARD INDUSTRY

The global debit card market is \$94.08 billion in 2021.

General-purpose prepaid debit card payments accounted for 43.7 percent of all prepaid debit card payments.

**Digital Payment Methods Are Replacing Debit and Credit Cards**  
Debit and credit cards are on the way out. Biometrics, NFC, and digital apps are in.

### **WHICH IS WHY THE PC DEBIT CARD IS A PURCHASING NETWORK.**

Not just a card that is dependent on swipes & transaction Fees.

Corporations Pay the Network for Purchasing their products. The fees we collect are in-addition-to and is not our main source of revenue!

# WHY MILLIONS CHOOSE THE PC DEBIT CARD?

## Why will Millions Leave their current Debit Card and Merchant provider?

- Because The PC Debit Card Pays a Guaranteed \$5,000 to \$10,000 every month!
- And provides Funding, Business and Marketing Services to the commercial users.

## NO OTHER DEBIT CARD OFFERS THIS TYPE OF SERVICE.

## How Can The PC Card Offer These Funds?

- ☐ Because We are a Purchasing Network, Not just a transaction provider!
- ☐ We offer Corporations “Guaranteed” Clients, Customers & Acquisitions!
